**SUBJECT: 2024 UAW Health & Safety Training Conference
UAW Family Education Center
Onaway, Michigan
May 5-10, 2024**

The “Stand Up” slogan is not just a bargaining slogan. “Standing Up” for safety is a culture that every member should be striving for in the workplace. One could never put a cost or value on the life of everyone in the workplace. We as leaders not only bargain for health and safety, but we also have a duty to “Stand Up” and protect the rights and health and safety of every single person that steps foot on the grounds we work on. Please join us in “Standing Up” for safety at the 2024 UAW Health and Safety Conference.

The 2024 UAW Health and Safety Training Conference will be held at the Walter and May Reuther UAW Family Education Center, Sunday, May 5, through Friday, May 10, 2024. On-site registration/credentialing will take place in the Lecture Hall on May 5th, from 1 - 4:45 p.m. All delegates must attend the “Mandatory” opening of the conference, which will start at 5 p.m. in the Lecture Hall, on May 5th.

The Conference will provide education and updates on a variety of topics needed by Health and Safety Representatives, Health and Safety Committee Members, and Local Union Representatives to address industrial hygiene, ergonomics and health and safety issues at their locations. Curriculum this year will include courses offered through the OSHA Training Institute Education Center (OTIEC). Credits earned taking these courses can be applied toward the Health and Safety “Specialist” and “Professional” credentials issued by the Great Lakes OTIEC. Some of the courses being offered this year include Ergonomics, Incident Accident Investigation, Combustible Dust, Risk Assessment, Hazard Recognition, Powered Industrial Truck and more.
